Spanish word dice in a sentence

Picture: Jenny Detrick / Moment / Getty Images Can you write victory with this quiz? Language is inherently important to our status as the dominant species on the planet. As human beings, we have the ability to communicate complex ideas and emotions effortlessly through the countless words that make up the thousands of languages in the world. While English may not be the most popular language in terms of native speakers, its importance in the global community cannot be denied. Indeed, this importance is clearly shown by the fact that English is currently the second most frequently adopted language in the world. Like all languages in all corners of the world, the English language is constantly evolving and changing over the years - turning slang into formal words and taking keywords from other important languages. All definitions used in this quiz come from the online version of the highly reliable Merriam-Webster dictionary. So, are you ready to test your English language knowledge?
